Profile

A communication designer by foundation and a strategic thinker in the making. My journey has taken me from shaping visuals to shaping digital experiences. I'm interested in the interplay between how things look, how they work, and why people respond to them the way they do, and I enjoy connecting the details with the bigger picture.

Skills

Research & Strategy
User Research, Competitor Analysis, Design Thinking, Problem Framing, Brand Strategy, Stakeholder Communication

Product & UX Design
User Flows, Information Architecture, Wireframing, Prototyping, Usability Testing, Responsive Web Design

Visual & Brand Design
Brand Identity, Design Systems, Typography, Packaging Design, Motion Graphics, Video Editing, Wayfinding and Signage

Experience

UI/UX Designer
July 2024 – June 2025

Zero Gravity Communications, Ahmedabad

- Designed website and digital product experiences, translating project requirements into intuitive layouts and user flows.
- Connected business objectives with interface decisions, information architecture, and user experience.
- Built and maintained Figma component libraries and style guides to ensure consistency across digital products.
- Collaborated with developers to address design feasibility, responsiveness, and implementation requirements.

UI/UX Designer (Internship)
January 2024 – July 2024

Zero Gravity Communications, Ahmedabad

- Designed responsive web and mobile interfaces using Figma and Adobe XD.
- Supported competitor analysis and user research to inform interface layouts and user journeys.

Communication Designer (Internship)
June 2023 – July 2023

Web Plus Info Tech Pvt Ltd

- Created visual communication assets and promotional creatives for digital applications.
- Contributed to website layouts and explored motion graphics across design projects.

Project

Redesigning Signages at Kalupur Railway Station
August 2023 – November 2023

Wayfinding and Environmental Graphic Design

- Conducted field research and commuter observation at a high-footfall railway station; proposed a wayfinding system with clearer hierarchy, pictograms and colour coding.
- Authored the research report; *the work has been selected for article publication.*
